*Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up.*

### Scholarship Info.

[www.stepupforstudents.org](http://www.stepupforstudents.org)  
Families that are currently participating in the Step Up For Students program may complete the renewal process around the first of March. Upcoming K5 and 1st grade parents are also encouraged to obtain scholarship information and/or apply by visiting the above website.

#### Fence Project

We are pleased to announce that our fence is going up! Hopefully you have noticed the transformation taking place on the west side of our school building and you are as excited as we are! We would like to extend our gratitude and a big "Thank You" to **Mr. Wayne Scarborough** who has volunteered to head up this project. If you are interested in helping, Mr. Scarborough will be here on a daily basis during the morning hours of school, Monday-Friday. It's a great opportunity to get some of those remaining volunteer hours completed before our school year comes to an end. Thank you to everyone who is helping us to give our children a safer environment!

### Volunteer Hours

Please note that volunteer hours need to be completed to avoid charges at the end of the school year. Please check your status in the school office. A few opportunities for volunteer hours are the Luncheon and Silent Auction, the fence project, and pressing graduation gowns.

### Just A Reminder

Parents, please be reminded that if your financial responsibilities (tuition, aftercare, etc.) are not paid by the end of the school year, your child will not receive his or her report card nor will records be forwarded until all balances are paid in full.

### Attention Parents of 6th Graders

Please begin to prepare to have your child's immunizations completed prior to entering 7th grade. The state of Florida requires that you have a Florida 680 form (shot record) with a completed Hepatitis B series, a Tetanus/Diphtheria booster and a second MMR.

**Thank you, Officer Kelly Kemp, for giving anti-bullying presentations to our Middle School classes!** These presentations will be scheduled soon for our Elementary classes.

### Spring 6-man Tackle Football
